## The Pessimist

- \* **EMPIRE:** Eastern Empire.
- \* **KINGDOM:** Woods of Awareness.
- \* **TERRITORY:** Lilliput.
- \* **BEHAVIOR:** Bogie, alias the complainer, waits in the twisted Tree of Thorns to share his misfortune with Open Road travelers. Cantankerous and faultfinding, the cranky dwarve blames everyone for his shortcomings.

Nothing makes this prophet of doom happy; he is impossible to please and has few friends. The hypochondriac Extractor is a despondent, grouchy, bellyaching spoilsport. Beware of Bogie, the pessimist.
