The Intimidator

Captain Kraken The Intimidator

- * **EMPIRE:** Western Empire.
- * **KINGDOM:** Ocean of Emotion.
- * **TERRITORY:** Isle of Despair.
- * **BEHAVIOR:** Captain Kraken, alias the bully, patrols the Open Road on his flying fiend, Tyrannus.

The cold-blooded commander enjoys controlling other creatures, both physically and emotionally, begging for a fist fight. Aboard his ship, the Jolly Roger, the in-your-face, overbearing, lizard-headed Extractor browbeats his opponents, specializing in rude, obscene gestures.

Beware of Captain Kraken, the intimidator.
