Cyclopps The Depressant

- * **EMPIRE:** Eastern Sub-Hemisphere.
- * **KINGDOM:** Cave of Daydreams.
- * **TERRITORY:** Green Room.
- * **BEHAVIOR:** Cyclopps, alias the despondent, dwells deep in the Underworld of Answers, bellowing the blues.

The lethargic behemoth, one mopey bump-on-a-log and full of self-pity, expects other creatures to feel sorry for him. Surviving a dysfunctional childhood, the one-eyed Extractor is lonely, sad, and dejected.

Be wary of Cyclopps, the depressant.
