Ghora

The unfriendly Phony

- * **EMPIRE:** Southern Empire.
- * **KINGDOM:** Jungle of Trouble.
- * **TERRITORY:** Temple of Turmoil.
- * **BEHAVIOR:** Ghora, alias the stuck-up snob, selectively snubs and ignores Open Road travelers.

Aloof and impolite, the venomous vixen is an uppity socialite with the creatures she selectively tolerates. The high and mighty Extractor is unsociable, unneighborly, and inhospitable, making every creature around her feel unwanted and completely rejected.

Beware of Ghora, the unfriendly phony.
