The Gossip Monger

Hag

The Gossip Monger

- * **EMPIRE:** Southern Empire.
- * **KINGDOM:** Wasteland of Want.
- * **TERRITORY:** underworld, House of Bats.
- * **BEHAVIOR:** Hag, alias the backstabber, extracts gossip and rumors from Open Road travelers.

The bat-winged blabbermouth is a busybody, rumor-starting, mud-slinging, whispering, eavesdropping troublemaker. The cackling Extractor secretly bad-mouths and puts other creatures down to boost her own low self-image. She puts others down to bring herself up.

Beware of Hag, the gossip monger.
