HOCUS

The Show-off Braggart

- * **EMPIRE:** Western Empire.
 - * **KINGDOM:** Ocean of Emotion.
 - * **TERRITORY:** Delightful Haven.
 - * **BEHAVIOR:** Hocus, alias the exaggerator, entraps Open Road travelers with his sensational stories of how great he is ... how the blowhard bandanahead has seen and done it all. A legend in his own mind, the flashy sea serpent is the ultimate teller of tall tales. The leg-pulling-peglegged-snakebrained Extractor corners all creatures to put on a show.
- Beware of Hocus, the show-off braggart.
