The Rebel Outlaw

Jailbirdie

The Rebel Outlaw

- * **EMPIRE:** Western Empire.
- * **KINGDOM:** Desert of Dreams.
- * **TERRITORY:** Caves of Kor.
- * **BEHAVIOR:** Jailbirdie, alias the desperado, robs and terrorizes unwary Open Road travelers from her badlands hideout.

The smuggling-mugging-non-hugging buzzard gains all her attention by committing immoral acts ... the bigger the crime, the better. The renegade Extractor craves life in a gang, surrounding herself with dysfunctional companions ... bandits ... other birds-gone-bad.

Beware of Jailbirdie, the rebel outlaw.
