Jinx

The Sarcastic Assassin

- * **EMPIRE:** Western Empire.
- * **KINGDOM:** Desert of Dreams.
- * **TERRITORY:** Pyramid of Tears.
- * **BEHAVIOR:** Jinx, alias the ridiculer, stalks the Open Road for travelers he can verbally abuse.

The cynical mummyhead is rude, obnoxious, and malicious, making fun of others to make himself feel superior. The sardonic Extractor insults all creatures before they threaten his low self-image. The sultan of smack puts others down to bring himself up. His sharp tongue cuts like a knife.

Beware of Jinx, the sarcastic assassin.
