Lizardo

The Oversensitive Soul

- * **EMPIRE:** Western Empire.
- * **KINGDOM:** Desert of Dreams.
- * **TERRITORY:** Kukuana Land.
- * **BEHAVIOR:** Lizardo, alias the paranoid, cautiously interacts with Open Road travelers.

The easily-offended Extractor has his feelings hurt often, acting temperamental and overcritical.

The armadillohead takes everything personally, rejecting all compliments as insults. Instead, the hypersensitive thin-skin hears cruel put downs full of double meanings. Beware of Lizardo, the oversensitive soul.
