## The Moody Maniac

- \* **EMPIRE:** Northern Empire.
- \* **KINGDOM:** Glacier of Danger.
- \* **TERRITORY:** Cloud Cuckoo Land.
- \* **BEHAVIOR:** Luna, alias the emotional wreck, exhales cold, mood-changing winds upon Open Road travelers.

The unstable Extractor is unpredictable, erratic, and indecisive. From happy to sad, calm to mad, laughing to crying, openly talkative to morbidly silent, the galactic moodiac keeps every creature under her spell confused and emotionally off balance.

Beware of Luna, the moody maniac.
