

Monkeyhead

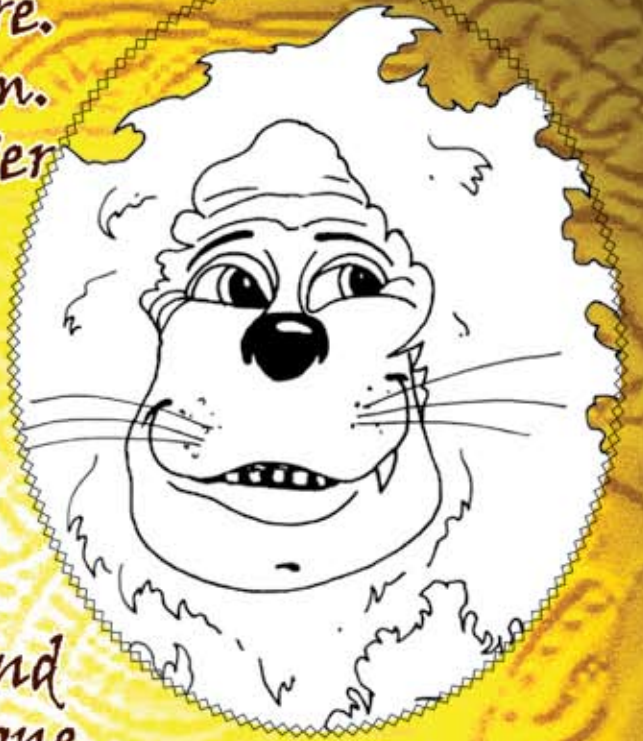

The Prankster

Monkeyhead The Prankster

- * **EMPIRE:** Eastern Empire.
- * **KINGDOM:** Sea of Esteem.
- * **TERRITORY:** Never-Never Land.
- * **BEHAVIOR:** Alias the exhibitionist, Monkeyhead teases Open Road travelers for attention.

The clowning Extractor plays tricks and practical jokes on everyone. The smart-aleck gorillation is a childish daredevil, endangering others both physically and emotionally. The lame apebrain makes faces, fools around, and relentlessly teases so-called friends ... all for recognition.

Beware of Monkeyhead, the prankster.
