## The Hypocrite Liar

- \* **EMPIRE:** Eastern Sub-Hemisphere.
- \* **KINGDOM:** Crater of Chaos.
- \* **TERRITORY:** Celestial City.
- \* **BEHAVIOR:** Ramcrabb, alias the fibber, misguides Open Road travelers with his deceiving lies.

The two-faced Extractor tells other creatures what he thinks they want to hear ... unable to distinguish where the lies stop and truth begins. Whether telling little white lies or huge whoppers, the hypocrite crab will say anything for attention. Dishonesty rules his life.

Beware of Ramcrabb, the hypocrite liar.
