

Reynard

The Miserable Miser

Reynard

The Miserable Miser

- * **EMPIRE:** Eastern Empire.
- * **KINGDOM:** Sea of Esteem.
- * **TERRITORY:** Dogworthy Castle.
- * **BEHAVIOR:** Reynard, alias the tightwad, threatens unwary Open Road travelers to stay clear of his treasure-coin hideaway.

The greedy Extractor will do anything for money, mistrustful of all creatures. The bushy-tailed cheapskate says money isn't everything, it's the **ONLY** thing. The penny-pinching scrooge spends his time counting his coins—an overly frugal fox.

Beware of Reynard, the miserable miser.
